Declaration for California Prop65

Dear Valued Customers,

This declaration is to inform Amitron's customer that any pcb products manufactured by Amitron do not contain Proposition 65 Chemicals which latest updated on April 21, 2023 listed in OEHHA website :

<https://oehha.ca.gov/proposition-65/proposition-65-list>

Under California's Safe Drinking Water & Toxic Enforcement Act of 1986.

The Act, commonly known as Proposition 65, establishes a list of chemicals which the State of California risk assessment process has determined to present a risk of cancer, Birth defects or other reproductive harm.

Amitron will continue to monitor the update of Proposition 65 Chemicals and make sure no newly listed chemicals are used in our materials and processes.

Exceptions:

Amitron Corporation uses Lead to manufacture circuit boards when customer requirement is for 63/37 leaded solder finish. Lead is only present if requested.
